Edizione 06	Data: 12/12/2017	Med-Limes Subscriptions 2024	P01
Revisione 04	Data: 30/10/2020		

Art.1 – Foundation and Organization

1.1. The International Short film Exhibition Med-Limes “Ai Confini del Mediterraneo” Images and stories from the borders of the Mediterranean Sea is born as a cinematographic exhibition with the purpose of sharing the understanding of different cultures, life journeys and societies of the Mediterranean area. In fact, the Mediterranean Sea is seen as a bridge between cultures and not as a wall/obstacle.

The exhibition places its attention on the relevant topics of our time. The tragedy of immigration, the shortage of water and food resources to meet the needs of millions of people, the discrimination against other cultures: those are the topics the cinematographic productions invited to participate in our festival are based on. The exhibition’s seventh edition will take place in Salerno on 23-24-25 May 2024.

1.2. The Short film International Exhibition Med-Limes is promoted by FONMED – “Fondazione Sud per la Cooperazione e lo Sviluppo nel Mediterraneo” and it is open to the productions of filmmakers from the Mediterranean area.

Art. 2 – Objectives

2.1. – The general objectives that the Short film International Exhibition Med-Limes “Ai Confini del Mediterraneo” aims to pursue are:

- use cinema as a tool to spread the understanding of different cultures and identities that co-exists in the Mediterranean area;

- give attention to small production of new artists that have great cultural value;

- focus on the 17 SDGs to spread their principles and the ways every individual can commit to the cause.

Art. 3 – Topics and activities of the Exhibition

3.1. The exhibition is exclusively open to short film made by directors whose nationality is admitted to the competition.

3.2. The topics of the exhibition are related to the 17 SDG’s (Sustainable Development Goals of the United Nations):

1. No Poverty
2. Zero Hunger
3. Good Health and Well-Being
4. Quality Education
5. Gender Equality

Edizione 06	Data: 12/12/2017	Med-Limes Subscriptions 2024	P01

Art. 6 – Sections and activities of the Exhibition

6.1. The program of the Exhibition involves the following sections:

Short film competition

Short films made by directors of the countries admitted to the exhibition on the topics related to the SDG's (Sustainable Development Goals) and to the cultures of the Mediterranean countries.

Out of competition

Short films made on the topics related to the exhibition, from different countries of the Mediterranean area, sent after the deadline or that, for whatever reason, have not been selected for the final cut of the competition, that still talk about the topics of the Exhibition. The selection is delegated to the unquestionable judgment of FONMED's Study Center.

Special section

Together with the cinematographic program, during the exhibition days, there will be other projects like photo exhibitions and forums on the themes of Eco-Regioni – Bio-distretti of the 5 continents, with guests, directors and personalities invited to the event.

Edizione 06	Data: 12/12/2017	Med-Limes Subscriptions 2024	P01
